Ordinance appropriating \$70,000, Public Health, for Haight-Ashbury Free Clinic, and \$2,000, Public Works, for operation.

File 101-74-216, Ordinance No.

Appointment of President Pro Tempore

At the request of the President, Supervisor Nelder assumed the Chair in order that the President might participate in the debate from the floor.

In response to an inquiry by Supervisor Kopp, Deputy City Attorney James J. Stark advised that Supervisor Feinstein, as a member of the Board of Directors of Youth Projects, Inc., of which the Haight-Ashbury Free Medical Clinic is a section, had a conflict of interest prohibited by the Charter at the time of voting on passage for second reading of the pending ordinance appropriating \$70,000 to the Department of Public Health for financing operation of the Haight-Ashbury Free Medical Clinic.

Mr. Stark further commented, in response to a question by Supervisor Feinstein as to whether she continued to have a prohibited interest in the pending ordinance in light of the fact that as of 12:00 noon today she had resigned from the Board of Directors of Youth Projects, Inc., that although there would appear to be no conflict he would need additional time to research this question.

The President reassumed the Chair.

File 101-74-216, Ordinance No.

Appointment of President Pro Tempore

At the request of the President, Supervisor Nelder assumed the Chair in order that the President might participate in the debate from the floor.

The President reassumed the Chair.

Withdrawn**Motion to Continue Consideration**

Supervisor Francois, seconded by Supervisor Molinari, moved that consideration be continued to meeting of July 21, 1975.

After further discussion, there being no objection, Supervisor Francois withdrew his motion.

In response to a question posed by Supervisor Molinari, Deputy City Attorney James J. Stark advised that the Board could refuse final passage of the pending appropriation ordinance for

\$70,000 for the Haight-Ashbury Free Medical Clinic, and reintroduce the measure on roll call for final passage today as an emergency measure should the Controller certify that emergency funds are available for the purpose. He further stated that it would require nine "aye" votes to finally pass such an emergency measure.

Supervisor Kopp requested the Journal of Proceedings to reflect that, on the basis of assurances and representations made by Dr. David E. Smith, Director of the Clinic, contrary to reports received by Supervisor Kopp that Dr. Smith never stated he was not interested in funds from the City for the Clinic, he is prepared to vote in support of an appropriation of \$70,000 for financing of the Haight-Ashbury Free Clinic if a new ordinance is introduced.

Supervisor Francois, seconded by Supervisor von Beroldingen, moved division of the question so that the appropriation for \$2,000, Public Works, could be considered separately.

No objection; motion adopted.

Finally Passed

Ordinance appropriating \$2,000, Public Works, for operation.

File 101-74-216, Ordinance No. 323-75

File 101-74-216.1, Ordinance No.

Supervisor Feinstein Excused from Voting

Supervisor Feinstein requested permission to be excused from voting on this measure since, although she had been advised by the City Attorney that no conflict of interest now exists by reason of her having resigned from the Board of Directors of Youth Projects, Inc., it was her feeling she should abstain from voting rather than present any conflict in view of the fact that her vote was not required for passage of the measure.

No objection and request granted.

Refused final passage by the following vote:

Ayes: 0.

Noes: Supervisors Barbagelata, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, von Beroldingen—8.

No Action Taken

Supervisor Nelder requested that the Board revert to consideration of File 312-75, a Charter amendment ordered submitted August 4, 1975, which amendment relates to the airport police. The subject had been considered at the beginning of the meeting, in connection with a letter from the Civil Service Commission expressing the Commission's misunderstanding as to which draft had been ordered submitted.

Supervisor Nelder indicated that at the time of moving amendments he was working from a fourth draft which was to have been presented as an Amendment of the Whole.

In the course of discussion, it developed that most of the Board members had not seen the fourth draft, nor had the Clerk of the Board or the Senior Legislation Clerk, nor was the Amendment of the Whole moved.

After further discussion, it was the Board's determination that no action could be taken at this time to rescind the action taken by the Board last week in ordering submitted the third draft, as amended.

Filed Without Action

The following, returned disapproved and vetoed by the Mayor, previously considered and temporarily postponed, with pending motion to reconsider, was taken up:

Supervisor Kopp withdrew his motion to reconsider, with the concurrence of Supervisor Molinari. Supervisor Kopp asked that the Journal reflect the fact that the sole reason for his withdrawing the motion was the advice of the City Attorney that an override of the Mayor's veto would be effective as of this date, and the ordinance also would be effective as of this date, and therefore Board enactment of the ordinance is mute and academic.

File 404-75

(Deletes Section 8.405.)

Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—11.

The Chair ordered a call of the Board.

Supervisor Barbagelata explained the third draft of the proposed Charter amendment, which was offered as an Amendment of the Whole.

Supervisor Mendelsohn stated it would be better if the Board attempted to pass a wage formula on the economic conditions in San Francisco instead of Los Angeles and other cities; that a formula should not be written into the Charter; that the formula should be legislated by ordinance after public hearing, and ought to include arbitration.

Appointment of President Pro Tempore

At the request of the President, Supervisor Tamaras took the Chair in order that the President might participate in the debate from the floor.

Motion to Amend Amendment of the Whole

Refused Adoption

Supervisor Mendelsohn, on behalf of himself and Supervisors Gonzales and Nelder, seconded by Supervisor Gonzales, moved to amend the Amendment of the Whole as follows:

On page 1, after "8.405 Salaries of Uniformed Forces in the Police and Fire Department", delete balance of text and substitute:

"The Board of Supervisors shall have the power, and it shall be its duty, by ordinance, to establish a procedure for fixing the rates of compensation for the members of the Police Department and the Fire Department. The provisions of this amendment shall become effective on July 1, 1976."

Supervisor Nelder, through the Chair, requested the City Attorney to advise respecting the legality of his vote in this matter.

Mr. James Stark, Deputy City Attorney, advised that it would be proper for Supervisor Nelder to vote; that the Board is not enacting law, just submitting a Charter amendment to the voters; that he is permitted to abstain if he wishes.

Refused adoption by the following vote:

Ayes: Supervisors Gonzales, Mendelsohn, Nelder, Pelosi—4.

Noes: Supervisors Barbagelata, Feinstein, Francois, Kopp, Molinari, Tamaras, von Beroldingen—7.

Privilege of the Floor Denied

Supervisor Molinari moved that Mr. James Ferguson, Firefighters Union Local 798, be granted the privilege of the floor.

Supervisor Barbagelata objected, and privilege of the floor was denied.

There followed a general discussion on the salaries of police and firemen in other jurisdictions; the right of police and firemen to strike; placing the police and firemen in the miscellaneous category; the appointment of an arbitrator to determine salaries of police and firemen in the event the Board of Supervisors failed to fix rates of compensation; the campaign contributions of firemen to the union; and police and firemen living out of the City.

Motion to Amend Amendment of the Whole

Refused Adoption

Supervisor Francois, seconded by Supervisor Molinari as a courtesy, moved to provide for binding arbitration, procedures to be by ordinance, in the event the cost of living provision is not approved by the Board of Supervisors and there is an impasse.

Motion refused adoption by the following vote:

Aye: Supervisor Francois—1.

Noes: Supervisors Barbagelata, Feinstein, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi, Tamaras, von Beroldingen—10.

Page 11, delete first paragraph of subsection (f) and substitute "(f) The Board of Supervisors may, in addition to the rates of compensation as established by this charter, and at the same time said rates of compensation are established, increase said rates of compensation by an amount equal to the difference between the average yearly cost of living increase of the cities used for comparison in determining the rates of compensation and the actual cost of living increase for the San Francisco Bay Area. The statistical data for the determination shall be obtained from the United States Department of Labor, and when making this determination the consumer price index shall be adjusted as of the same date for all comparison cities."

Consideration Continued

The following from Streets and Transportation Committee, was taken up:

Ordinance ordering the vacation of a portion of Ash Street, east of Gough Street.

File 343-75-2, Ordinance No.

In answer to a question posed by Supervisor Kopp as to whether lawyers on the Board who are members of the State Bar would be precluded from voting on the foregoing measure by reason of conflict of interest, Deputy City Attorney Robert A. Kenealey advised that insofar as lawyers in California are mandated by the State Constitution and the Business and Professions Code to become members of the State Bar, in his opinion no conflict of interest exists because of such membership.

Supervisor Barbagelata, seconded by Supervisor Kopp, moved that consideration of the foregoing measure be continued to September 22, 1975.

Consideration continued by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Gonzales, Kopp, Molinari, Nelder, Pelosi—6.

Noes: Supervisors Francois, Tamaras, von Beroldingen—3.

Absent: Supervisors Mendelsohn, Molinari—2.

Taken Up Out of Order

REPORTS OF COMMITTEES

Report of Legislative and Personnel Committee on ballot arguments for proposals ordered submitted subsequent to the Police and Fire strikes.

Supervisor Molinari, Chairman of the Legislative and Personnel Committee, remarked that the ballot arguments appearing on today's Board Calendar without recommendation were heard by the Committee on Friday, September 5, 1975. The Supervisor stated that the Committee believes these arguments, together with several others, should be submitted to the Registrar for inclusion in the voter's pamphlet in order to afford the voters of the City and County an opportunity to obtain a fair and complete view of all measures which were placed on the ballot in the ensuing weeks since the police and fire strikes.

The Supervisor further commented that although the Board refused to submit by an 11 to 0 vote at last Monday's Board meeting an argument by the street artists opposing Proposition "L", the Committee believes the revised argument submitted by the attorney for the street artists should likewise be submitted by the Board to the Registrar so that there would be a fair picture on that subject matter presented to the voters as well.

Mr. Lawrence Leguennec, Registrar of Voters, in explaining why the ballot argument favoring Proposition "N" which had been submitted by the Board was returned by him, stated that while the Board had waived the time limits for submission of ballot measures, it had not waived the time limits prescribed for submission of ballot arguments therefor. Mr. Leguennec further commented that should the Board waive such time deadlines by resolution, the last date he could submit such arguments to the printer would be September 15, 1975.

In answer to Supervisor Molinari's request for preparation of such a resolution, Deputy City Attorney Robert A. Kenealey advised that there is no provision for waiver by resolution of the Board of said time limits in the ordinance passed by the Board pursuant to the provisions of Charter Section 9.112. Mr. Kenealey further advised that the Board would have to make a determination, presuming an emergency exists, whether it wished to amend the existing provisions of the Ballot Simplification Ordinance to allow for the submission of arguments by the Board at this time.

There being no objection, at the request of Supervisor Molinari,

the City Attorney was thereupon directed to draft an amendment to the Ballot Simplification Ordinance that would waive the time limits for submission of ballot arguments by the Board, which could be passed as an emergency measure and transmitted to the Mayor immediately upon its passage before the end of the day's proceedings.

In response to a question by Supervisor Francois as to whether the Mayor in the absence of such an ordinance would be able to submit arguments on behalf of the two measures which he directed to be placed on the ballot, Deputy City Attorney Kenealey advised that the Mayor could do so on payment of the requisite deposit covering printing costs to the Registrar of Voters not later than 5 p.m., September 10, 1975.

Supervisor Francois then commented that in fairness the Mayor should also be able to submit at no cost arguments on behalf of his proposals.

Request Granted

Supervisor Molinari, joined in by all members of the Board, requested that the Clerk prepare a cover letter for the legislation being drafted by the City Attorney, urgently requesting his Honor, the Mayor, to waive the three-day period given to him by the Charter in which to sign or return disapproved such emergency legislation and to sign this measure or return it forthwith with his disapproval before the Board adjourns its meeting today.

In connection therewith, Supervisor Francois requested that the Mayor be advised it is the Board's intention to include in their submission any arguments he may have with respect to ballot measures he submitted.

The Clerk was directed to comply.

The Board thereupon resumed consideration of Calendar matters in the order set forth therein.

Adopted

Motion to Resolve into Committee of the Whole

Supervisor Mendelsohn explained that this particular item came out of a hearing before the Budget and Governmental Efficiency Committee on general ways in which to reduce the property tax rate, but that the specific ordinance actually had no public notice, and the Committee, therefore, recommends that a public hearing be held thereon today.

Statement by Supervisor Kopp

In connection with the foregoing action, Supervisor Kopp requested that the Journal of Proceedings reflect the following statement:

"I have tried to change my vote on continuing for another week the ordinance which would increase the gross receipts and payroll taxes by securing a rescission of the roll call on such motion. Although the President of the Board regularly makes such an order of rescission without the formality of a roll call vote, in this instance the President did not do so, and six of my colleagues voted against rescission. Therefore, I ask that the Journal reflect my intention to have changed my vote to continue consideration of the legislation to increase business taxes. The proposal is wrong and should be rejected without further delay and inconveniencing of interested citizens."

Mr. Gilbert H. Boreman
Acting Clerk of the Board
Board of Supervisors
Room 235 - City Hall
San Francisco, California 94102

April 1, 1975

Dear Mr. Boreman:

In your letter of March 25, 1975, you noted that at the direction of President Dianne Feinstein you are seeking the following information for consideration by the Board of Supervisors:

1. Total number of employees in the Department:
1837 (1781 Uniformed
56 Non-Uniformed)
2. Total number of employees who reside outside of San Francisco:
1033 (135 more than 30 Air Line Miles
from City Hall)
3. City or location of residence for each employee:
See attached enclosure.

As stated in his letter to President Feinstein, dated February 5, 1975, Fire Commission President Rudy Tham has recommended a 30 Air Line Mile Limit for Fire Department employees residing outside of San Francisco. I concur with this recommendation. Any further distance would seriously jeopardize protection of life and property if our members are required to be recalled because of a major conflagration or other disaster.

Sincerely,

Keith P. Calden

Supervisor Kopp moved that the Board select, for submission to the Registrar of Voters, the ballot argument submitted by his Honor, the Mayor.

Motion lost for want of second.

Supervisor Barbagelata, seconded by Supervisor von Beroldingen, moved that both arguments opposing Proposition "Q", that of his Honor, the Mayor, and of the Police Officers Association and Fire Fighters Union Local 798, be rejected for submission to the Registrar by the Board.

After further discussion, and before a roll was called on the foregoing motion, President Feinstein directed that a telephone call be placed to his Honor, the Mayor, indicating that Supervisor Francois has objections to the statement made in the Mayor's argument that "Many millions of dollars more will have to be raised from taxpayers to hire additional personnel to maintain the present level of services and to cover the predictable requests for overtime and night pay differential now enjoyed by other City employees", and to determine whether the Mayor would be willing to delete such statement from his ballot argument.

thereupon presented, on behalf of the Police Officers Association and Fire Fighters Union Local 798, an argument favoring Proposition "R" for the Board's consideration at this time.

The privilege of the floor was granted to the following:

James T. Ferguson, President, San Francisco Fire Fighters Local 798

There being no one else desiring to speak on this matter, the Chair declared the hearing concluded.

Adopted

Motion to Rise and Report Without Recommendation

Supervisor Molinari, seconded by Supervisor Mendelsohn, moved that the Committee of the Whole rise and report, without recommendation on the foregoing ballot arguments favoring Proposition "R".

Thereupon, the members were reconvened as a Board of Supervisors.

Supervisor Francois, seconded by Supervisor von Beroldingen, moved that the Board refuse submission of both of the foregoing ballot arguments.

Motion authorizing ballot argument opposing Proposition "R", a proposed ordinance providing for binding arbitration in fixing salaries of police and fire fighters.

Adopted**Motion to Resolve into Committee of the Whole**

Supervisor Francois, seconded by Supervisor Molinari, moved that the Board resolve itself into a Committee of the Whole to hear public testimony relative to the argument opposing Proposition "R".

No objection and motion carried.

The privilege of the floor was granted to the following:

James T. Ferguson, President, San Francisco Fire Fighters
Local 798

There being no one else desiring to speak, the Chair declared the hearing concluded.

Adopted**Motion to Rise and Report Without Recommendation**

Supervisor Molinari, seconded by Supervisor Francois, moved that the Committee of the Whole rise and report without recommendation on the foregoing ballot argument opposing Proposition "R".

No objection and motion carried.

Thereupon, the members were reconvened as a Board of Supervisors.

Supervisor Mendelsohn then noted that although the ballot argument submitted by the Mayor favoring Proposition "R" is not presently before the Board, he wished to draw his colleagues attention to the fact that when the ordinance waiving time limits for submission of ballot arguments was transmitted by the Board to the Mayor urging his speedy and favorable consideration thereof, there was a postscript to the letter which stated in part that "it is the Board's intention to include any arguments you may have with respect to ballot measures you have submitted in their submission." In light of this fact, the Supervisor urged his fellow members to consider rescinding the action previously taken by the Board in refusing to submit the Mayor's argument favoring Proposition "R".

Appointment of President Pro Tempore

At the request of the President, Supervisor Mendelsohn assumed the Chair in order that the President might participate in the debate from the floor.

Noes: Supervisors Barbagelata, Tamaras, von Beroldingen—3.

Supervisor Francois, seconded by Supervisor Kopp, thereupon moved that the Board submit to the Registrar the ballot argument submitted by his Honor, the Mayor, favoring Proposition "R".

Before the vote was taken on the foregoing motion, Supervisor Kopp requested that the Journal of Proceedings reflect that those members who oppose Proposition "R", and who are voting for the motion authorizing submission of the Mayor's argument favoring it, do so solely because the Clerk on authorization stated in the September 18 letter to the Mayor that it was the Board's intention to include in its submission the Mayor's arguments on measures he had submitted for the ballot.

The roll was thereupon called on the motion to submit the ballot argument favoring Proposition "R", and it was adopted by the following vote:

Ayes: Supervisors Barbagelata, Feinstein, Francois, Gonzales, Kopp, Mendelsohn, Molinari, Nelder, Pelosi—9.

Noes: Supervisors Tamaras, von Beroldingen—2.

APPROVAL OF JOURNAL

There being no errors, corrections, or omissions, the Journal of Proceedings for the meeting of June 30, 1975, was considered read and approved.

COMMUNICATIONS

Temporarily Postponed

Consideration of Mayor's Disapproval

Resolution urging enactment of SCA 27, which would provide that civil service employees of the State, a city, county, city and county, school district or district, do not have a right to strike. (Supervisor Kopp)

File 12-75-76, Resolution No.

The Clerk presented a communication from Mayor Alioto, dated September 12, 1975, returning subject resolution disapproved as, in his opinion, except as applied to police, firemen, emergency hospital workers and jailers, such a provision would violate the constitutional rights of Americans to withhold their labor.

Supervisor Molinari, noting that Supervisor Kopp is author of subject resolution, moved that consideration of the Mayor's disapproval be temporarily postponed pending Supervisor Kopp's presence.

No objection and motion carried.

Emergency Declaration

The Clerk presented a communication from his Honor, the Mayor, dated September 12, 1975, reading as follows:

"On Monday, August 18, 1975, your Honorable Board unanimously requested that I use my emergency power under Charter Section 3.100 to suspend through September 30, 1975 those provisions of Charter Section 6.208 which call upon you to levy a tax on or before the 15th day of September each year which, 'together with, the total amount of receipts and revenues estimated to be received from all sources, will be sufficient to meet all appropriations made by the annual appropriation ordinances.'

"On Tuesday, August 26, 1975 your office further provided me with a letter of explanation reconfirming your previous motion. It was clear that an emergency existed in San Francisco and that we were faced with the prospect of no tax rate ordinance within the time provided by the Charter. I agreed and on August 29, 1975, exercised my powers vested in me under Section 3.100 of the Charter to suspend through September 30, 1975 those provisions of Charter Section 6.208 which call upon you to levy a tax on or before the 15th day of September.

"In the light of my letter of even date, (a copy of which is in File 74-75-1 in the Office of the Clerk of the Board of Supervisors) it has become apparent that the issue of the tax rate ordinance may not be resolved by September 30. I am, therefore, continuing in my earlier proclamation to further suspend the requirement of Section 6.208 of the Charter

and extend the period of time within which 'the Board of Supervisors by ordinance shall levy a tax' until midnight of October 6, 1975."

Noted and ordered filed.

ROLL CALL FOR INTRODUCTION OF MEASURES AND COMMUNICATIONS NOT CONSIDERED OR REPORTED ON BY COMMITTEE.**Request Granted**

Supervisor Molinari, in furtherance of a previous request, asked that a communication be directed to the City Attorney requesting that a determination be made as to whether a landlord has a legal right to charge tenants a higher rate for cablevision service than that prescribed in the ordinance which was passed by the Board of Supervisors.

In connection therewith, the Supervisor requested that the City Attorney be asked to draft an amendment to the existing ordinance which would allow landlords to charge tenants only that

rate which has been established by the Board and that said charge must be shown separately and not as a part of his rent, although said amendment would not prohibit the landlord from being charged a reduced rate that would allow for his administrative costs. Supervisor Molinari further requested that the amendment provide that under no circumstances should the responsibility of the cablevision supplier end with the connection of cablevision to a building, since many tenants currently are unable to obtain service; and that, if legal to do so, the proposed amendment should contain a provision that the landlord cannot prohibit a tenant from receiving service.

No objection and request granted.

Report by Budget Analyst on Reported Budget Cuts for Laguna Honda Hospital.

Mr. Harvey Rose, Budget Analyst for the Board of Supervisors, reported that he had met on Thursday, September 18, 1975, with the Controller, a representative from the Civil Service Commission and Dr. Francis J. Curry, Director of Public Health, to determine if certain positions which had been frozen by the Fiscal Policy Committee should be defunded. Mr. Rose stated that Dr. Curry at that time presented a strong case for the immediate release of the freeze on a sizeable number of positions. Mr. Rose further commented that both he and the Controller felt, because of the number of frozen positions involved, that the matter should go to the Finance Committee for its determination as to whether the freeze on the positions should be lifted, and a letter to that effect was sent to the Chairman of the Finance Committee.

Mr. Rose then remarked that the subject of the need for additional overall cuts in the entire City and County budget in the approximate amount of \$5 million had been brought up at this meeting. He further stated that there had been no request at that time on behalf of the Fiscal Policy Committee for cuts in the Department of Public Health budget which would result in the closing or curtailment of operations of Laguna Honda Hospital.

President Feinstein Assumed the Chair

Upon her arrival in Board at 2:50 p.m., President Feinstein assumed the Chair.

Adopted

Motion to Suspend the Rules

Supervisor Nelder, seconded by Supervisor Molinari, moved that the Rules be suspended to extend the privilege of the floor to Mr. Conner Nixon.

No objection and motion carried.

The privilege of the floor was then granted to the following:

Mr. Conner Nixon

Mr. Thomas J. Mellon, Chief Administrative Officer, upon being asked to comment on the situation, remarked that it was unfortunate that publicity reporting that Laguna Honda Hospital may have to be closed because of purported budget cuts by the Board of Supervisors had caused such alarm in the community. He stated that Dr. Curry, however, has been most cooperative in working with the Budget and Governmental Efficiency Committee of the Board on its clear mandate to explore every possibility of reducing the Department of Public Health's budget, and that this mandate was not interpreted by either Dr. Curry or himself that such reductions would have to be effected by the closing of Laguna Honda Hospital.

Request Granted

Supervisor Molinari then requested that the attendance of Dr. Francis J. Curry, Director of Public Health, and Mr. Henry Sicabaig, Acting Administrator of Laguna Honda Hospital, be requested for the Finance Committee meeting of Wednesday, September 24, 1975, so that they may be asked by the Committee about statements reportedly made by them concerning budget cuts at Laguna Honda Hospital.

No objection and Clerk directed to comply.

UNFINISHED BUSINESS

Refused Final Passage

The following recommendations of Finance Committee, heretofore considered, were taken up:

Report by Controller

Mr. John C. Farrell, Controller, presented the following report as contained in his letter to the Board dated September 17, 1975, relative to the measures noted below:

"In accordance with your written request of July 15th, I have begun procedures to determine the health and welfare payments made to plumbers and related classes that may be lost to the City should they not be recovered.

"I subpoenaed Mr. Joseph De Luca, Administrator, Trustee of U. A. Local 38 Trust Funds and, in response, he attended a hearing in my office on August 20, 1975.

"Mr. De Luca's attorney, Mr. Luther Avery, and Mr. Stanley Neyhart, of Neyhart, Anderson and Freitas, were present at the hearing as were two members of my staff, Mr. Horace Weller and Mr. Thomas Nerney, the reporter and myself.

"In general, I questioned Mr. De Luca. After approximately one and one-half hours, the meeting was adjourned to an indefinite future date.

"At the meeting, it was arranged for Mr. Nerney and Mr. Weller to meet with Mr. Avery at the Trust Fund office; Mr. De Luca was to be on vacation.

"On August 26th, the meeting at the Trust Funds office (1621 Market Street) was held. The result of that meeting was a determination, with information already in our possession, of the sums made available from the health and welfare fund to Konocti Inn for some 5 years of the 12 between July 1, 1963 and June 30, 1975.

"Examination of the Trust Funds records revealed inter-fund transfers, inter-fund loans, overlapping fiscal years, and other complications rendering a full determination possible only through a major audit, which means an expensive audit.

"We are exploring the possibility of using data we have and interpolating.

"Since the August 26th meeting, Neyhart, Anderson and Freitas has filed and served upon us *Brodie v. San Francisco*, an action seeking in 10 counts, 10 pay raises for the plumbers and related classes, and in the 11th count, a determination that our withholding ordinance (Administrative Code Section 10.27 et seq.) is invalid as not affording due process.

"A taxpayer's suit has also been filed and served, seeking the collection of health and welfare fund money, the equivalent of which has been paid to the Konocti project.

"On September 8, 1975, Mr. Avery informed us that the Trust Funds books would no longer be available and that it is probable he would seek a protective court order.

"On September 16th, we met with Deputy City Attorney, Mr. Michael Killelea.

"We will begin the withholding of moneys for repayment for the years in which the Konocti payments were made to our knowledge.

"Further action under our subpoena will await future developments."

The Controller thereupon recommended that the Board refuse final passage of the two appropriation ordinances noted below and continue consideration of the accompanying ordinances amending the Annual Salary Ordinance for a period of two weeks so that the Civil Service Commission can make necessary adjustments in the ordinances.

Ordinance appropriating \$63,214.79, various departments, for retroactive wages and mandatory fringe benefits to provide adjustment of compensation schedules and health and welfare benefits, effective April 1, 1973, for plumber and related crafts.

Privilege of the Floor

There being no objection, upon motion by Supervisor Kopp, seconded by Supervisor Nelder, the privilege of the floor was granted to Mr. Edward Keil.

Mr. Keil made a brief statement, advising the Board that land value depends on the use to which land can be put, and that in the present case the use is quite limited, and certain terms and conditions have been laid down for the land use.

Supervisor Feinstein submitted for the file a letter from Senator George Moscone relative to subject project, as follows:

November 14, 1975

Supervisor Dianne Feinstein, President
Board of Supervisors
City Hall
San Francisco, California

Dear Madam President:

There is probably no urban renewal project in this country as complex and as controversial as Yerba Buena Center. It is one of the nation's largest municipal projects, in terms of acreage and cost, and it has generated more litigation than any one project in the history of this City. Regrettably, little progress has been made on Yerba Buena since its inception in 1961, with the exception of demolition and relocation activities. It seems like an eternity since I voted against YBC as a member of the Board of Supervisors in 1965.

At the present time, the future of the project is very much in doubt. Litigation and rising interest and construction costs have combined to delay any meaningful development of Yerba Buena Center. In view of this impasse, I think it is appropriate for us to take a new look at the entire YBC plan, with the exception of those few sites on which construction is underway, or irrevocable commitments have been made. While various aspects of YBC have been revived over the years by either the Board of Supervisors or the Redevelopment Agency, San Francisco has not taken an overall, systematic look at the project in nearly ten years.

Because a new Mayor will take office in January, and because that Mayor will have been selected by a majority of San Franciscans, I urge the Board of Supervisors to take no further action on YBC until the new Mayor is in office. This moratorium on YBC development should include building, the expenditure of planning funds, demolition, and the conveyance of land to developers. If I am the next Mayor of San Francisco, I will be strongly committed to a total reevaluation of Yerba Buena. But I think it would be regrettable for any actions to be taken which would almost

certainly tie the hands of the incoming mayoral administration.

The short delay I am requesting will, quite possibly, result in more rapid South of Market development, and a better planned project as well. The lawsuits now pending against the project will become moot once we commit ourselves to a ground-up reevaluation of planning for the South of Market area.

In particular, I would like to see San Francisco initiate a planning process that directly involves the people of this City. By tapping the people's ideas for YBC development through neighborhood and community hearings, and then gradually working our way up the planning hierarchy through hearings and input provided by the Redevelopment Agency, the Planning Commission, and related bodies, we will finally arrive at a YBC plan which enjoys the support of most San Franciscans.

Most importantly, though, we need the fresh start and new energies which the next mayoral administration can bring to the City's planning process. That is why I urge the Board of Supervisors to voluntarily adopt a two month moratorium on Yerba Buena planning decisions. With your cooperation, I am confident that we can work together after January 8, on the successful completion of Yerba Buena Center.

Sincerely,

GEORGE R. MOSCONE

Thereupon, President Feinstein resumed the Chair.
